UNIVERSITY OF WARWICK

PGDip Neuroscience and
Psychology of Mental Health

2023 - 2026

ULSTER UNIVERSITY

MSc Psychology - Distinction

2020 - 2021

QUEEN'S UNIVERSITY

Human Anatomy (A) | Human
Cell Physiology (A+)

2001 - 2004

BOURNEMOUTH UNIVERSITY

BA (Hons) Computer
Visualisation

RELEVANT EXPERIENCE

Learning Strategist / Executive Functioning Coach

MindKey Health, Victoria, BC | Apr 2026 - Present

Coach adolescents and young adults with executive-function difficulties, including ADHD, targeting task initiation, planning, sustained attention and self-management. Adapt strategies to individual cognitive and learning profiles and barriers to functioning.

MSc Researcher

Ulster University | 2025 - 2026

Neurocognitive Predictors and Profiles in Digitally Simulated
Dual-Tasking for Scalable Fall-Risk Screening

Examined neurocognitive predictors of susceptibility to dual-task interference, an established paradigm in fall-risk research, testing whether executive and cognitive profiles could identify vulnerability under competing demands. Built the complete cognitive battery and novel dual-task simulation in Gorilla.sc.

Volunteer - Neurorehabilitation & Medical Imaging

Victoria General Hospital, BC | Jan 2025 - Present

100+ hours in neurorehabilitation and medical imaging, including cognitive activities with stroke-recovery patients.
